

Safety Footwear

Jack Pennington has now introduced the Fortec range of safety footwear to compliment its ever growing range of PPE.

Fortec is a brand leader in the safety footwear market and with its range of innovative styles there is a style that suits every requirement. Fortec is so confident in its range that every pair of footwear offers a 6 month satisfaction guarantee.

The Fortec range is varied and Jack Pennington have decided to stock a key range of styles for every site requirement whether you need a waterproof boot that needs to withstand the day to day rigours of site or just a more every day boot that suits a warehouse environment. Customers will find a style that suits there requirement as any style can be ordered from Fortec and delivered within 48 hours.

Fortec has set new standards in safety footwear and the range reflects this as it is functional but also comfortable and also has some key features such as having a protective midsole, heat resistant and in fact safety footwear no longer needs to be endured but can be enjoyed.

Key Product Features:

- 6 month satisfaction guarantee
- Innovative range of styles
- ISO20345:2004 rated
- Protective Midsole
- Anti Static
- Heat Resistant
- Metal Free
